

Surface Engineering Coating Association

**SECA Announces Establishment of
Associate Membership Classification**

The Surface Engineering Coating Association (SECA), was formed in 1999 to represent companies in the CVD and PVD coatings industry. SECA's eighteen member companies apply coatings to cutting tools, forming tools, molds, precision components and decorative fixtures. Effective August 1, 2001, the Association is proud to announce the establishment of an Associate Membership classification.

Associate membership in SECA is open to individuals or entities having a direct educational, technical, regulatory or business relationship to the Full Membership. SECA meets twice annually--Spring and Fall.

For additional information about becoming an Associate Member contact the Surface Engineering Coating Association, 1300 Sumner Avenue, Cleveland, Ohio 44115-2851, Phone: 216-241-7333, Fax: 216-241-0105, or e-mail at seca@taol.com.
